WHAT IF MY PARTNER WANTS TO JOIN THRIVE WITH ME?

Awesome! We love when couples join together and we offer significant discounts for love or business partnerships: As a partnership, you each get 25% off the tuition. So instead of paying \$14,997 each for Platinum, it would be \$11,248 each.

WHAT IF MY PARTNER WOULD NOT WANT ME TO JOIN THRIVE?

This could be a good time to take a deep breath and ask yourself: If your partner was on board, would you want to join Thrive? If yes, we invite you to have a conversation with your partner that has the potential to deepen your relationship.

Here's a template to support you in having a beautiful conversation with your partner. You can read this over a few times before calling your partner.

Metal: Acknowledge. I appreciate _____ about you. And, I appreciate all the big and little ways that you have supported me like _____ and _____ and _____.

And, I want to become a member of Thrive, and it would mean the world to me if you supported me in this.

Fire: Connect. I'm feeling _____ (scared) you might think _____.

But, it's so important to me to make a bigger impact and make more money this year and I would really regret it if I was in this same place next year. And, I am going to need a good amount of support if I'm going to really succeed this year.

Earth: Serve. I truly believe that my making more money will serve you too. Here's how: _____. And I believe that the support I get in this community will help us as a couple have _____.

Water: Curiosity. Here are some powerful questions you can sprinkle into your conversation: How is this all resonating with you? Do you believe in me? How could this serve both of us? What would you need in place to feel good about this? Is there a way that I can also support you to reach your hopes and dreams?

Wood: Choice. It would mean the world to me if you support me with this. Will you?

(If emotions come up for your partner, you can put this template to the side and simply do your best to show up with connection, service, acknowledgment, curiosity and choice.)

WHAT IF I'M ALREADY IN A PROGRAM (OR 3 PROGRAMS)?

If you're in a program that is designed to help you learn another style of coaching or bodywork, for example, then awesome. We're glad you're committed to being of the greatest service to your clients. And, it's also important to invest in support to actually get clients, because no clients = no impact or income.

If you're in a home study course, you're probably getting great information that will support you to get clients. But, rarely is information enough to get results.

We've found that success comes from:

1. An Amazing, Heartfelt, Community that you feel supported by
2. Profound Transformation that helps you find the courage to take action.
3. Templates and Systems that are refined and easy to implement that you get to practice in a safe place.
4. Witnessing Results: When you see the people around you taking big leaps in their business, it inspires you to do the same.

If you have this level of support in another program designed to help you get clients, then, no need to join Thrive. If you don't, we encourage you to invest in a higher level of support. Big missions need Big Support. And it often takes a number of mentors to create success.

WHAT IF I'M BRAND NEW (OR HAVEN'T STARTED YET)?

Investing in support now, can save years of struggle, making needless and unnecessary mistakes. Client Attraction Mastery can help you get clients quickly.

And, Platinum can help you to stay off the burn-out path by teaching you the Leverage, Speaking, and Leadership strategies to set yourself up for a future of success.

WHAT IF I'VE ALREADY HAD A LOT OF SUCCESS IN MY BUSINESS?

Although some of our members have made millions in their businesses, our programs are specifically designed to help you get to \$10K-\$20K per month. So, if you're already at \$250K or more, you may want to look at private coaching with us (Jesse or Sharla). Or, we could refer you to another mentor who has a program specifically

designed to help you go from \$250K to \$1M.

WHAT IS THIS THRIVE LIFETIME PROGRAM I'VE BEEN HEARING ABOUT?

Join about 400 Thrivers who have joined Lifetime where you access to all Mastery and Platinum events and home study courses for a lifetime (or as long as Thrive exists). Which means that you can make this community your business and personal development home base, and you can keep coming back to programs until you're comfortably making 6-Figures... and even then, you may want to come back just because you love this community so much!

Thrive Lifetime also includes our legendary Money Breakthrough Event which is a 3-Day Event (led by Jesse). In terms of value, it's by far, the best deal. If you are interested, you can speak with a Thrive Team Member about Lifetime (most Team Members are in Lifetime) and they can answer your questions and give you the best pricing we ever give... \$20,997 or 25 payments of \$997.

WHAT IF I DON'T BELIEVE I CAN BE SUCCESSFUL?

I (Jesse) have so much compassion for this one, because that was me. I've found that self-confidence doesn't just land on you. It comes from

1. Surrounding yourself with people who believe in you (who are on the journey with you).
2. Having templates and systems that help you avoid making mistakes that lead to failure.
3. Doing the inner work (consistently) to transform your gremlins into fuel.
4. Taking action toward your hopes and dreams. Every day you don't take action perpetuates the doubt. Every time you take action, no matter how small, you're putting your stake in the ground to say, yes, I can do this.

We invite you to join Thrive and put a big stake in the ground, so that we can be there to support you and watch you triumph.
